Advances in Dermatologic Surgery™

31st Annual Meeting
Florida Society of Dermatologic Surgeons

November 2–4, 2012

The Breakers
One South County Road
Palm Beach, Florida

Jointly sponsored by
the University of Miami
Miller School of Medicine and the
Florida Society of Dermatologic Surgeons

Florida Society of Dermatologic Surgeons
11891 Magnolia Falls Dr.
Jacksonville, FL 32258
It is with great pleasure that I invite you to attend the 31st Annual Meeting of the Florida Society of Dermatologic Surgeons, “Advances in Dermatologic Surgery.” Our dedicated Program Chairmen, Keyvan Nouri, MD and Terrence A. Cronin, Jr., MD, have worked arduously to assemble an outstanding faculty of expert international, national, and distinguished Florida colleagues who will share their knowledge in a comfortable, relaxed environment at the world-famous Breakers resort. No matter what interests you may have in dermatologic surgery there is something in our program for you. Presentations ranging from excisions, Mohs surgery, and reconstruction to fillers, lasers, hair transplantation, etc. will focus on practical pearls you can use in your practice. Virtually no aspect of dermatologic surgery will go unaddressed.

Our Annual Business Meeting will be held Saturday over lunch. In addition to our ambitious scientific program, we have been working with the Florida Society of Dermatology and Dermatologic Surgery (FSDDS), the Florida Medical Association, and others to educate relevant parties about issues of great concern to dermatologic surgeons. These issues range from Mohs surgery and skin substitutes to nurses obtaining the Doctor of Nursing Practice (DNP) degree and thus becoming “doctors”. We are also changing the status of the FSDS from a 501(c)6 to a 501(c)3 to be consistent with our Articles of Incorporation filed with the State of Florida. Dr. Lifshitz, President of the FSDDS, will update us on our sister society’s activities and we will conclude with a presentation on what to look for in managed care contracts.

You will not want to miss the Saturday evening festivities. In addition to dinner and dancing, a magician will entertain and dazzle us. Children ages 4 thru 12 years old will have their own party which will include dinner and entertainment. This is a wonderful opportunity to relax, mingle with old friends and make new ones.

As you can see, this meeting promises to be a highly informative, exciting event. We continue to strive to update our membership on the latest innovations and techniques in dermatologic surgery that can be utilized when you return to your practice. I strongly encourage you to make plans to attend.

See you at the Breakers!

Clifford Warren Lober, MD, JD
President, Florida Society of Dermatologic Surgeons

It is with great pleasure that I invite each of you to the 2012 annual meeting. It is an honor to be the Program Co-Chairman for this respectable and renowned society. Our continuous effort is directed towards providing you with the greatest educational experience. With each passing year we intend to build on this tradition bringing new advances in dermatology together on this platform.

Our sincere attempts have been to assemble world-renowned specialists to enlighten us with their knowledge and skills. As you can see by the enclosed Faculty Page, we have once again assembled an exceptional faculty. It is because of these excellent speakers that our annual meeting has been recognized at both a national and an international level as one of the best and most comprehensive educational sessions in dermatologic surgery and is aptly named as “Advances in Dermatologic Surgery.”

I take this opportunity to extend my gratitude and thankfulness to the program committee: Dr. Clifford Lober, the President of FSDS and Dr. Terrence Cronin Jr., Co-program chairman of FSDS who have helped with their inputs and support to make this program an outstanding one; Dr. David Harvey for his assistance in organizing the Hands on Laser/Filler and Botox workshop; and Paula Baumgardner, executive director of FSDS and Judy Alfano for all of their great work and assistance with the program.

The FSDS’s principal focus remains to maintain and augment our members’ expertise in dermatologic surgery. We hope to grow and share our knowledge and experiences in a warm and family like setting. I look forward to continue working with the Program Committee in developing and improving this meeting as one of the best in Dermatologic Surgery.

Warm regards,

Keyvan Nouri, MD
Program Co-Chairman
Course Description

Advances in Dermatologic Surgery is an educational program designed to give dermatologic surgeons the opportunity to gain knowledge of the latest and most advanced techniques of dermatologic surgery. The course includes didactic lectures presented by national and international experts, live demonstrations plus time for informal sharing of information. Topics include melanoma, reconstructive surgery, advances in injectables and fillers, Mohs surgery, wound closures and other related topics.

Who Should Attend

The target audience is Dermatologic Surgeons, Mohs surgery, Dermatology Residents and Otolaryngologists, Plastic Surgeons and Ophthalmologists who are interested in dermatologic surgery.

Course Objectives

Upon completion of this program participants should be able to:

- Evaluate and implement advanced treatment modalities for skin conditions requiring surgery
- Assess the value of using lasers in treating a variety skin conditions
- Recognize the results and value of current research on skin diseases, cutaneous oncology and dermatologic surgery
- Employ advances in the diagnosis, management and treatment of skin cancer
- Discover innovative ways to use fillers in various combinations for optimal results
- Effectively and professionally communicate with patients options for cosmetic procedures and expected outcomes
- Integrate new ideas into everyday practice

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Miami Leonard M. Miller School of Medicine and Florida Society of Dermatologic Surgeons. The University of Miami Leonard M. Miller School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation

University of Miami Leonard M. Miller School of Medicine designates this live activity for a maximum of 19 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure and Conflict of Interest Resolution

All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Services for the Disabled

If special arrangements are required for an individual with a disability to attend this conference, contact the Florida Society of Dermatologic Surgery (904-292-0051).

Cancellation Policy

Refunds will be made only if written notice of cancellation is received prior to October 19, 2012. A $25 fee will be deducted. After October 19th, no refunds will be made.
Accommodations

The Breakers

The Breakers is a luxury oceanfront hotel and one of America’s legendary resort destinations. Listed on the National Register of Historic Places, the resort has invested $250 million over the past decade in its ongoing revitalization and expansion. Its timeless atmosphere reflects the elegant comforts and personalization of a grand residence, but energized with a youthful, family-minded philosophy. Originally The Palm Beach Inn, constructed in 1896 by Henry Morrison Flagler, The Breakers was destroyed by fire in 1903. Rebuilt in 1904 as The Breakers and again taken by fire in 1925. The Breakers, as it is known today, re-opened its doors December 29, 1926, rebuilt in a record breaking 11½ months at a cost of $7 million.

Created in the Italian Renaissance-style, inspired by the magnificent Italian villas of the 1400s. Exterior: Twin Belvedere towers with graceful arches, patterned after the Villa Medici in Rome. Front drive: Re-designed and landscaped 1,040-foot main drive leads to Florentine Fountain patterned after the fountain at the Boboli Gardens in Florence. Main lobby: Inspired by the Great Hall of the Palazzo Carega (circa 1560) in Genoa. For more information on The Breakers visit www.thebreakers.com.

Amenities: Two 18-hole championship golf courses, a 20,000-square-foot oceanfront spa with ocean view fitness center, Mediterranean-style beach club overlooking one-half mile of private beach, five swimming pools, luxury beach bungalows, variety of water sports, 10 lighted tennis courts and an extensive program of family and children's activities. Also features an outstanding selection of nine restaurants and an array of on-site boutiques with distinctive merchandise.

Climate: Due to its close proximity to the Gulfstream, Palm Beach enjoys a subtropical climate noted for year-round breezes and moderate temperatures ranging from 75-85 degrees.

Location: The Breakers is located at One South County Road, Palm Beach, Florida 33480, seven miles from Palm Beach International Airport, and 42 miles from Ft. Lauderdale International Airport and 72 miles from Miami International Airport. Both Interstate 95 and the Florida Turnpike provide easy access to South County Road (via Okeechobee Boulevard), which leads to the entrance of The Breakers.

Hotel Reservations: Reservations can be made on line by going to https://resweb.passkey.com/go/FSDS12. If you prefer to make your reservation via phone, you should identify yourself referencing the Florida Society of Dermatologic Surgeons 2012 Meeting and the booking code: FSDS12. The Reservations Department can be reached at 888-BREAKERS (273-2537).

Make your reservation by September 24th to be assured of the group rate. Group rates are $279 for a Deluxe King or $299 for Premium Run of House – King or Double.

Resort Parking: Parking is valet only at the reduced rate of $12.00 per day.

I Believe in Magic

Saturday Dinner and Children’s Party: The Saturday evening event will be extraordinary with dinner, dancing, a magician who will entertain and dazzle us. If a minimum of 10 children are registered by October 1, children ages 4 – 12 will have their own dinner and party.
